

TO WHOM IT MAY CONCERN.

This is to certify that **Mr. Bhuvan Bhattarai** was employed at **WebX Nepal** as a Frontend Developer from **May 24, 2025** to **Dec 1, 2025**.

During his tenure, **Mr. Bhuvan** was actively involved in designing and developing creating and interactive websites using technologies including JavaScript, React.js, Next.js and Tailwind CSS. He also implemented modern frontend interactions using animation libraries like Framer Motion and GSAP, while ensuring SEO best practices were followed.

His core responsibilities included converting UI design to life, integrating APIs, and responsiveness. **Bhuvan** collaborated effectively with UI/UX designers and fellow developers to deliver high-quality digital products within tight deadlines.

Mr. Bhuvan consistently demonstrated a deep understanding of basic frontend development principles, a keen eye for detail, and a strong problem-solving mindset. His dedication, technical competence, and team-oriented approach made him a valuable asset to our development team.

We sincerely appreciate his contributions and wish him continued success in all his future endeavors.

For any further inquiries, please feel free to contact us.

Sincerely,

Rojan G. Mul
CEO & Co-founder
WebX Nepal
